**"You can't become a great teacher until you
become a great student." Coach Allocco**

My experience and foundation as a youth coach enables me to provide appropriate advice and skills that are relevant to this important age level. I am the Founder of the Excel Basketball Camps that have taught skills and values to boys and girls for 38 years! I coached Boys and Girls in Youth Programs in New Jersey and in California for 14 years and for the past 20+ years have served as the Vice President of the East Diablo CYO. I have also coached at the high school level for 24 years at Northgate (6 years) and at De La Salle (18 years), winning 3 State Championships, and in 2015-16 as the Associate Head Coach at the University of San Francisco. In 2017 I returned to the Youth Level where I coach 3rd grade!

The "Ultimate Youth Basketball Coaches Clinic"

One day, 6.5 hour clinic that will help you develop your style and skills while providing comprehensive coverage of all aspects of coaching.

The "Youth Basketball Coaches Academy" Two 3 hour sessions provide you with the comprehensive tools needed in a slower, relaxed pace that provides ample opportunities for questions.

These learning opportunities will increase your coaching knowledge, confidence, and ability, thus providing a better learning environment for your students.

Advanced Coaches may attend our High School Coaches Clinic on October 13th. Please contact us via email: excelcamp@gmail.com for the H.S. Clinic brochure.
